Brooks Macdonald Group plc

AGM Trading Update and Funds under Management

Ahead of today's Annual General Meeting, Brooks Macdonald Group plc ("the Group"), the AIM listed integrated wealth management group, provides shareholders with a trading update and quarterly funds under management announcement.

The Group has had a productive first quarter of the financial year with the successful acquisition of Lawrence House Fund Managers and the opening of the Group's first office in Scotland.

Trading across the Group has continued to be very encouraging, building on the increased market penetration and successful performance highlighted within the Report and Accounts. The Group is well positioned to continue its growth on a number of fronts.

As at 30 September 2009 funds under management were £1.665 billion
